The indispensable tool for creating details with total safety!

# ER-RP40

## PROFESSIONAL FACIAL HAIR TRIMMER

Flexible 10° pivoting head lets you reach the most delicate areas. The ER-RP40 offers the power you need to shave with precision and total safety.

From 0.12 mm to 7 mm (with 6 cutting heights), its rounded blade edges assure a soft cut.

Upkeep is easy—just wash the head with water.

Works with one LR6 battery for 180 minutes of use

Distribute by **TEMA INSTRUMENTS**
