Power, performance, elegance and working comfort.

X-taper Blade 2.0

1 hr full charge

50 min use

MAKE ART

ER-FGP74

CONCENTRATED EXCELLENCE!

X-TAPER BLADE 2.0

UNEQUALED CUTTING PERFORMANCE!

JAPANESE BLADE TECH

Japanese blades, sharpened to a 45° cutting angle for the closest cut, with a new DLC (Diamond Like Carbon) coating that conducts less heat for added comfort. A pledge of quality for you and your clientele.

A POWERFUL LINEAR MOTOR WITH PATENTED CONSTANT CONTROL

The 10,000-rpm linear motor with constant control assures a constant powerful cut regardless of the battery charge level or hair density.

LIGHTER AND EVEN MORE ERGONOMIC!

Just 250 grams for this concentrated power. A slim silhouette offers maximum working comfort while safeguarding your health and assuring cutting pleasure. A clean design harmonizes with the esthetics of new salons.

- 1 An ultra-natural grip for mixing cutting techniques
- 2 Ergonomic cutting height dial adjustment: for left- and right-handed stylists
- 3 Ultra-compact charging and storage stand optimizes your workspace

LITHIUM-ION BATTERY, QUIET USE AND DURABILITY

Recharge at any time without waiting for the battery to completely discharge. More power and durability over time.
